Gary - Sorry that I didn't send you anything sooner - being on travel last week just threw me off. I presume that you meant Thursday **June** 4th - not May 4th. I am booked today- Tuesday and have several meetings tomorrow AM. Wednesday afternoon I am available and Thursday morning but not Thursday afternoon. Lets try and schedule a call on Thursday AM either earlier in the morning or before lunch as I may have another meeting scheduled for sometime that morning also.

8:30 AM Denver time would work for me if that works for you.

Thanks.

Paula Schmittiel

Hi Paula,

You were going to send me the times you were available. I never received them. Thursday (4 May) is wide open for me. This afternoon (1:00 - 3:00 here on the west coast) is open too. Wednesday and Friday are not looking good. Let me know when you are available and we can work something out.

Thanks,

Gary Krongard

Subject: [EXTERNAL] Upper Animas Industry Days Planning & Project Schedule

Importance: High

Gary - I thought you and I were going to conference this week on the above topics. My week is filling up fast but I would like us to have a discussion as I have some things coming up later in the summer that I will need to plan around. At the moment, I have sometime on Wednesday afternoon or Thursday AM. let me know what will work for you.

Thanks

Paula Schmittiel
